SAFETY GUIDELINES

We would like you to be aware of some important guidelines for your safety and the safety of your guests and your property. MANAGER AND WE OWE NO DUTY OF PROTECTION TO YOU. YOU ARE RESPONSIBLE FOR YOUR OWN SAFETY AND FOR THE SAFETY OF YOUR GUESTS AND YOUR PROPERTY. Residents must comply with all applicable local, state, and federal ordinances, rules, regulations, statutes and laws. We recommend that you consider following these guidelines, in addition to other common sense safety practices.

INSIDE YOUR APARTMENT:

1. Lock your doors and windows—even while you're inside.
2. Use your night latches or dead bolt locks on the doors while you're inside.
3. Before answering the door, confirm the identity of the person. Look through a window or peephole. If you don't know the person, first talk with him or her without opening the door. If the person identifies him/herself as a staff member or vendor, you may call the Manager for confirmation. Don't open the door if you have any concerns.
4. Do not give out or lend keys, gate or lock combinations to anyone.
5. Don't put your name, address, or phone number or other identifying markings on your key or key ring.
6. If you're concerned because you've lost your key or because someone you distrust has a key, ask the Manager to re-program the lock. We will be happy to accommodate you and will proceed with reasonable diligence. You will be responsible for the cost of the replacement key.
7. Dial 911 for emergencies. If an emergency arises, call the appropriate governmental authorities first, and then call the Manager.
8. Check your smoke detector monthly for dead batteries or malfunctions.
9. Check your door locks, window latches, and other safety devices regularly to be sure they are working properly.
10. Immediately report the following to the Manager—in writing, dated and signed:
 - Any needed repairs of locks, latches, doors, windows, smoke detectors and alarm systems, if applicable; and
 - Any malfunction of other safety devices outside your Apartment, such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railings, etc.
11. Close curtains, blinds, and window shades at night.
12. Mark or engrave identification on valuable personal property.

OUTSIDE YOUR APARTMENT:

13. Lock your doors every time you leave your apartment regardless how long you will be away.
14. Leave a radio or TV playing softly while you're gone.
15. Close and latch your windows while you're gone, particularly when you're on vacation.
16. Tell your roommate(s) where you're going and when you'll be back.
17. Don't walk alone at night.
18. Don't hide a key under the doormat, a nearby flowerpot, or anywhere outside the apartment. Criminals know all hiding places.
19. Don't give entry codes or electronic door cards to anyone.
20. Use lamp timers when you go out in the evening or go away on vacation.
21. While on vacation, have your newspaper delivery stopped.
22. While on vacation, have your mail temporarily stopped by the post office.
23. Carry your door key in your hand, whether it is daylight or dark, when walking to your entry door. You are more vulnerable when looking for your keys at the door.
24. Report suspicious activities or persons to the Manager. Call 911 or local law enforcement if your personal safety is at risk.
